All of our Corporate Supporters receive the following:

- Recognition on our Corporate Supporter Bio Page.
- Receive discounted sponsorship rates at our conferences.
- 1 vote in global annual elections

INDIVIDUAL - \$50/\$95/\$500

As a member of the OWASP community, you agree:

- To follow the ethics and principles set by the OWASP Foundation Community.
- You want to underscore your awareness of software security practices.
- You want to continue to increase your value, knowledge and expand your skills when attending OWASP conferences at a discount.
- You want to expand your personal network of global contacts. Membership in one of OWASP's Chapters immediately puts you in contact with a local circle of peers with similar job responsibilities and concerns.
- You want to support your profession.
- 40% of your annual membership fee can directly support a local chapter or project of your choice. You may donate in up to two locations.
- You get an @OWASP.ORG email address if you desire to collaborate with peers globally
- You will have (1) vote for the annual elections on issues that shape the direction of the community.

ACADEMIC SUPPORTER

BENEFITS

- Raise awareness of the University worldwide.
- NO COST, Only Commitment to secure software education.
- Be recognized as a supporter by posting your university logo on the OWASP website (Image size for logos: gif, jpg or png with a size of 150px X 45px at 72dpi).
- OWASP and the University can jointly publicize season of code events which provide funding for students or faculty to perform security based research.
- OWASP and the University can work together with local chapter and OWASP Foundation to host security seminars or provide introductory training sessions for students on OWASP tools, documentation, and security skills.
- University is allowed to designate one individual to cast a vote in OWASP elections.

BARTERED REQUIREMENTS

- Provide meeting space for the local chapter.
- Be open to discuss including OWASP education material in the curriculum to students.
- Provide feedback to assist in improving our OWASP education material.
- Encourage students to apply for OWASP Grants and work on projects for OWASP Foundation that will help them build real world industry experience.

PLEASE NOTE

- This is intended for the University as a whole to become involved with OWASP. This does not imply individual or organizational membership for the University, students or faculty. However, all students and faculty are encouraged to explore the benefits of becoming an individual member.

SOME OF OUR ACADEMIC SUPPORTERS

- We have many OWASP academic supporters, some of which include: Royal Holloway, University of London, Cardiff University, University of Hyderabad, Korea University, and many more.

OTHER WAYS TO SUPPORT US

LOCAL CHAPTER SUPPORTER

- Organizations that are not yet interested in becoming a full Corporate Member, but who have a desire to direct their support in a more regional manner, may prefer to become a Local Chapter Supporter.

SINGLE MEETING SUPPORTER

- Organizations that wish to support an OWASP local chapter with a 100% tax deductible donation to enable OWASP Foundation to continue the mission.

EVENT SPONSORSHIP

- Participate in one of our Global or Regional events by sponsoring the expo or providing tangibles to the conference attendees.

TAX DEDUCTIBLE DONATION

- The OWASP Foundation is a registered 501(c)3 in the US as well as a Not for Profit entity in Europe. As a result, your direct donation is eligible to be deducted as a charitable donation on your taxes.

PROJECT CONTRIBUTION OR DONATION

- With over 100 active projects globally and hundreds of OWASP Project roles to contribute in, it would be difficult to NOT find a way to participate within the OWASP Projects Division. All it takes to participate is a willingness to share ideas and collaborate with the key minds in the industry.

INDIVIDUAL PARTICIPATION

- With over 140 active chapters globally and hundreds of OWASP Projects and millions of great ideas waiting to become projects, it would be difficult to NOT find a way to participate within the community.

ADDITIONAL WAYS TO SUPPORT OWASP

- We also offer Government and Organizational Supporter packages. Please contact us if you would like to learn more about supporting us using these options.
